

TRODAT CLASSIC LINE_

Do you love the classics? Stamps, that truly deserve the name evergreens are the products in the Classic Line Series.

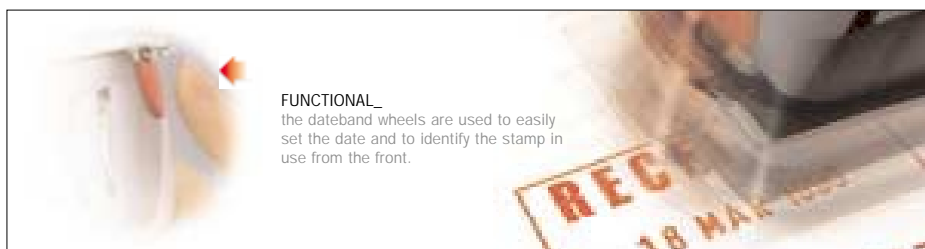

Hand stamps of the Classic Line are available as daters with and without text, as dial-a-phrase stamps, numberers or alphabet stamps.

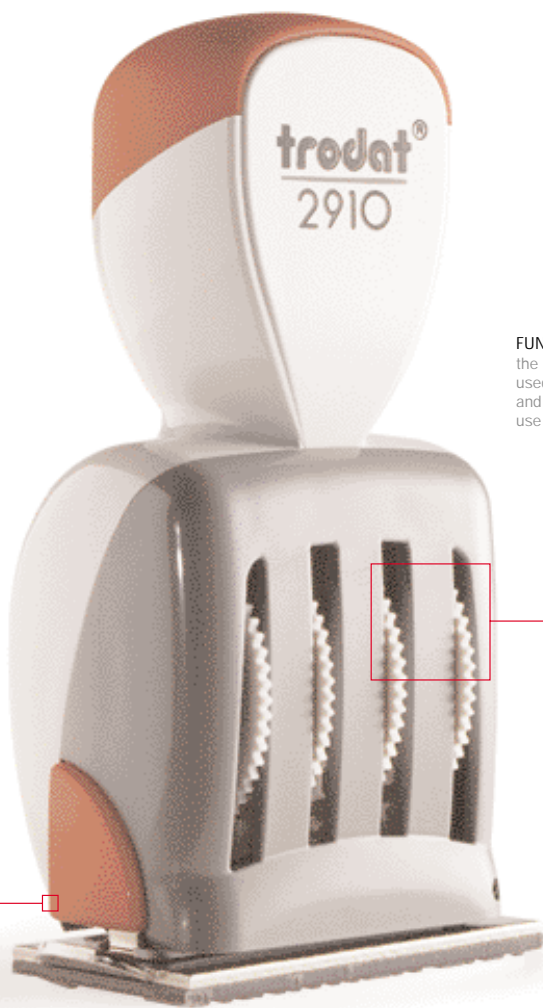

These are not only an attractively priced alternative to self-inking stamps but they also offer a range of distinct product advantages. The 2910 model is remarkable as much for its modern design as for its compound structure which contains a super strong material core.

CLASSIC LINE_

CLASSIC LINE_

PRACTICAL
the locking mechanism lets you easily release the text plate using only one hand.

FUNCTIONAL
the dateband wheels are used to easily set the date and to identify the stamp in use from the front.

The 2910 Dater Series – many different text plate sizes makes this suitable for any text. Special plates and standard texts are available upon request.
